OFFICIAL ADVERTISEMENTS.

SALE OF RIGHT TO MANUFACTURE SALT.

THE public are hereby informed that the right to manufacture salt under the monopoly system in block No. 32 of the Kattupalli extension of the Vayalur factory will be sold by auction by the Assistant Commissioner of Salt, Abkári and Customs Department, Chingleput subdivision, at Vayalur on 25th of January 1919 at 12 noon subject to the following conditions. The area of the block will be about 7½ acres.

1. A deposit of Rs. 5 must be made by every intending bidder previous to bidding.

2. No person will be allowed to bid on behalf of another unless he holds a power-of-attorney from him authorizing him to do so.

4 The selling officer may for valid reasons refuse to accept any bid and in cases of dispute his decision shall be final. If, for any reason, the highest bid is rejected the selling officer may at his discretion either accept the next highest bid or put the lot up to auction afresh.

5. The sale will be subject to confirmation by the Board which may either accept or reject the final bid at its discretion. Such confirmation will be tantamount to an acceptance of the bid.

6. As soon as possible after auction is completed, the deposits made by unsuccessful bidders will be returned to them.

7. As the auction proceeds, the successful bidder shall at once, if so required by the selling officer or otherwise at the close of the day's sale, make a further deposit equal to one-fourth of the purchase-money. Should he fail to do so, the deposit made by him under condition 2 supra will be forfeited and the right to manufacture in the pans will be put up to auction again on the above conditions or otherwise disposed of as the Board may determine and the defaulter may be debarred from bidding again at any subsequent sales.

8. On receipt of intimation of the final acceptance of the bid the successful bidder shall at once pay the whole amount of his bid after deducting from it the amount of deposits already paid by him. Should he fail to do so, the deposits made by him under conditions 2 and 7 supra will be forfeited and the right to manufacture in the pans will be sold or otherwise disposed of as the Board may determine.

9. Resales effected under condition 8 will be at the risk of the defaulting bidder, who will forfeit all gain and, in the event of a loss, will be required to make good the deficiency between the amount payable under the terms of the original sale and that payable by the successful bidder at the resale In the latter case the forfeited deposits will be deducted from the loss arising from the resale and the remainder, if any, will be recoverable from the defaulter in the manner laid down in section 84 of the Madras Salt Act IV of 1889 Should, however, the forfeited deposits be greater than the loss by resale, the whole of such deposits will be credited to Government The defaulting bidder will be similarly liable if the salt pans are disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale.

10. Licence to manufacture salt under the monopoly system will be granted to the successful bidder subject to the following special conditions. The prescribed form of licence can be seen at the office of the Inspector, Ennore Circle, at Vayalur or at the Assistant Commissioner's office, Chingleput subdivision, North Beach Road, Madras.

(a) The pans should be aligned as directed by Government and should be worked as directed by Government at the rate of kudiyaram common to the factories of the Ennore circle, which is now Rs. 13-2-0 a garce.

(b) Manufacture should be carried on as directed by Government and the licensee should undertake to comply with all orders of the Inspector in respect of the various processes of manufacture and should show due diligence in manufacture.

(c) The successful bidder should accept a lease (the form of which may be seen at the Circle office, Vayalur). The term of such lease will be for four years and the licence granted in each case will be in force only during the continuance of such lease.

(d) The licensee must surrender the pans to Government if required to do so on notice being given at the close of any manufacturing season

(e) No compensation will be paid to the licensee when the pans are surrendered under condition (d) or when the pans are resumed or the factory is converted into one for manufacture of salt for general sale in the event of the lease referred to in condition (c) being determined before the expiry of the period fixed.

11. The land will be irrigated by pucottahs from the Kattupalli Boat channel. Backwaters brine may also be used if it can be spared, but no supply is guaranteed.

12. Any further particulars that may be desired can be obtained either at the Ennore Circle office, Vayalur, or at the Assistant Commissioner's office, Chingleput subdivision. North Beach Road, Madras.
